

Not every accident is a lucky escape  
 Don't trust children's safety to luck

# On the move!

Colour in all the pictures. Then draw a circle around the right answer to the question: What should you always wear to be safe in the car?

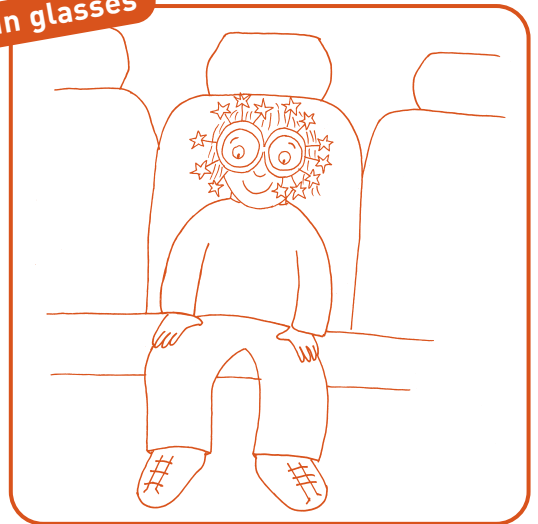

A Hat and gloves

B Seat belt

C Sun glasses

When you've finished, show it to a grown-up to see if you've got the answer right. If you haven't, have another go!
